## Bringing stability for the future.

*"No, this is not a newsletter like today's newspapers talking about Brexit!"*

This time it is about Camelot and plans for our school linked to the changes in our local area. As many of you will be aware, Camelot School sits at the very heart of the planned Old Kent Road regeneration area (within 800 metres of the planned Old Kent Road No. 2 Bakerloo station).

The future for our local area and for our school is both exciting and positive but to secure that future we need to adapt our school to the impact on us in the short term.

### Your views on this proposal are important to us.

The Local Authority wants to hear the views of everyone who feels they might be affected by this proposed reduction to the Published Admission Number and therefore we are consulting with parents, carers, governors, local councillors and other stakeholders. We will collate and present all feedback from this consultation to the Cabinet of the Council in January 2019 for decision, and if agreed, will then approach the Office of the Schools Adjudicator (OSA) for approval to amend the PAN of the school with effect from September 2019 thereafter.

You can provide any feedback by:

Email - [ric.euteneuer@southwark.gov.uk](mailto:ric.euteneuer@southwark.gov.uk)

Writing to: Ric Euteneuer, Principal Strategy Officer (School Place Planning), Southwark Council, PO Box 64529, LONDON, **SE1P 5LX**

**The consultation period is 21<sup>st</sup> November 2018 – 21<sup>st</sup>**

**December 2018 inclusive**

As many parents/carers may have seen a consultation notice has been posted on the school's front gate to propose that the school varies its pupil roll to be a two form entry school going forward. The section of this formal notice referring to your feedback is included here

## New Parent Governor

We are pleased to confirm that parents/carers successfully nominated a new parent governor, Georgia Tettey, parent of Tae in Year 2 Drakensberg class. Georgia joins Mohamed Ellis Francis, father of Abdurrahim, Year 6 Damavand; Ammar, Year 4 Huascaran and Na'Im, Year 2 Drakensberg. Parent governor play an exceptional role in the life of a school and we are very grateful to Georgia and Mohamed for their time and support ahead.

## Outcomes from on-line bullying surveys with our children

### Highlights:

- Far too many of our children are using the internet without proper safety measures in place including lack of parental support for what they are posting
- Their feedback below highlights they are aware of the risks but just need as much support as possible in dealing with these risks

### What did you learn from today's class

"I learnt by choosing respect"

# Christmas is coming....

## Camelot Christmas Fair

### Thursday 20th December

### 3.30—5.30 p.m

We don't mention Christmas at Camelot in December because the children get too excited so we thought we'd mention it in November instead!

We need the help of all our school community to help us celebrate this important time of year in the Christian calendar as well as marker for a time for a holiday.

This year, we are planning Santa's Grotto, Christmas themed fun and festivities including the Christmas Raffle with a top prize of £100—Raffle tickets to go on sale on December 1st from the School Office.

We look forward to your support as we are particularly raising money for playground equipment, markings and peer mediation/mentoring funds.

Please put these dates in your diary should you have a child in either our Nursery or Reception classes or alternatively in Year Two. This is your child's opportunity to be involved in a very special part of a primary school life for a pupil and we believe every child and their parent/carer/grandparent should make every effort to be watch these plays.

For parents/carers of children in Nursery and Reception, on Wednesday 12th December please stay with us at 8.45 a.m. in the school hall for tea/coffee before the 9.30 a.m. show begins.

For parents/carers of children in Year Two it is same message on Wednesday 19th December .

### Exceptional News for Camelot!

### Swimming restarts in January 2019

The problems at the swimming pool are resolved and we restart swimming lessons after the holiday. The first year group to attend swimming will be Year 4. Swimming happens on Tuesday afternoon and any parental support to escort the children to St Thomas the Apostle College and back is greatly appreciated. Please speak to your child's class teacher if you can support.

**Please note swimming is one of the compulsory areas of the UK education system for which all pupils are required to participate.**

**Children can not be refused the opportunity to learn to swim on any grounds other than a medical condition diagnosed by medical professionals.**
