Wednesday 31st	Uganda

The Camelot Order for BHM

What can you do?

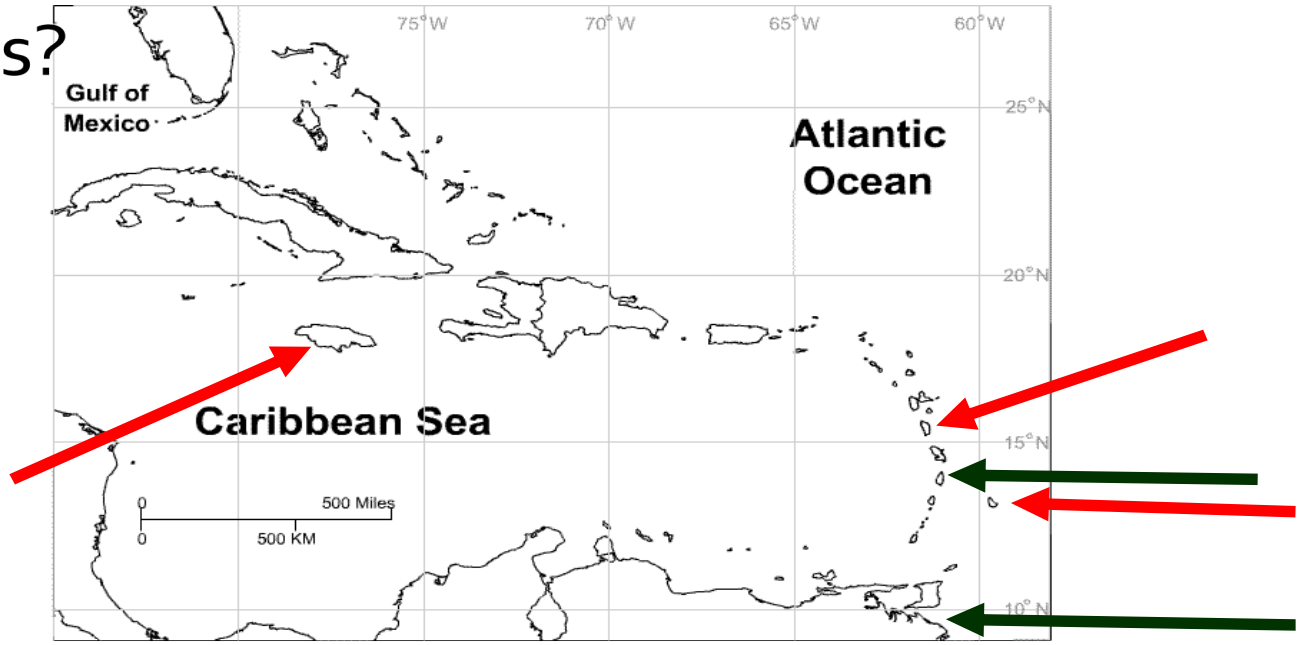

- **Wear clothes to reflect the country**
- **Bring in a flag for the country**
- **Make some food that reflects the country**
- **Share some facts with us all**

Parents Praise Proven Peckham Primary
A reminder of this key message

The school is thrilled to share the outcome of the recent annual Parents Survey for its support and praise for the efforts of the school staff and leadership in meeting the parent/carer definition of what makes you 'satisfied' with your children's school. Stopping to reflect back we can remind parents that at the end of 2016, only 52% supported this statement—your school rating a massive 37% below national averages for answering this statement. By the end of 2017 77% of you supported this statement—a great improvement but still 12% below what parents of other children said about their school. But in 2018, just two years after the school began their #exceptionaleveryday offer, the school has risen to be above national averages for parent/carer satisfaction with their child's school. Wow! That's truly exceptional!

Where is this?

The countries we know are represented in our school community and we intend to celebrate are as follows: Barbados, Dominica, Guyana, Jamaica, St Lucia,

Black History Competition

Winners on school trip:

Black History Month and What it Means to Southwark Exhibition

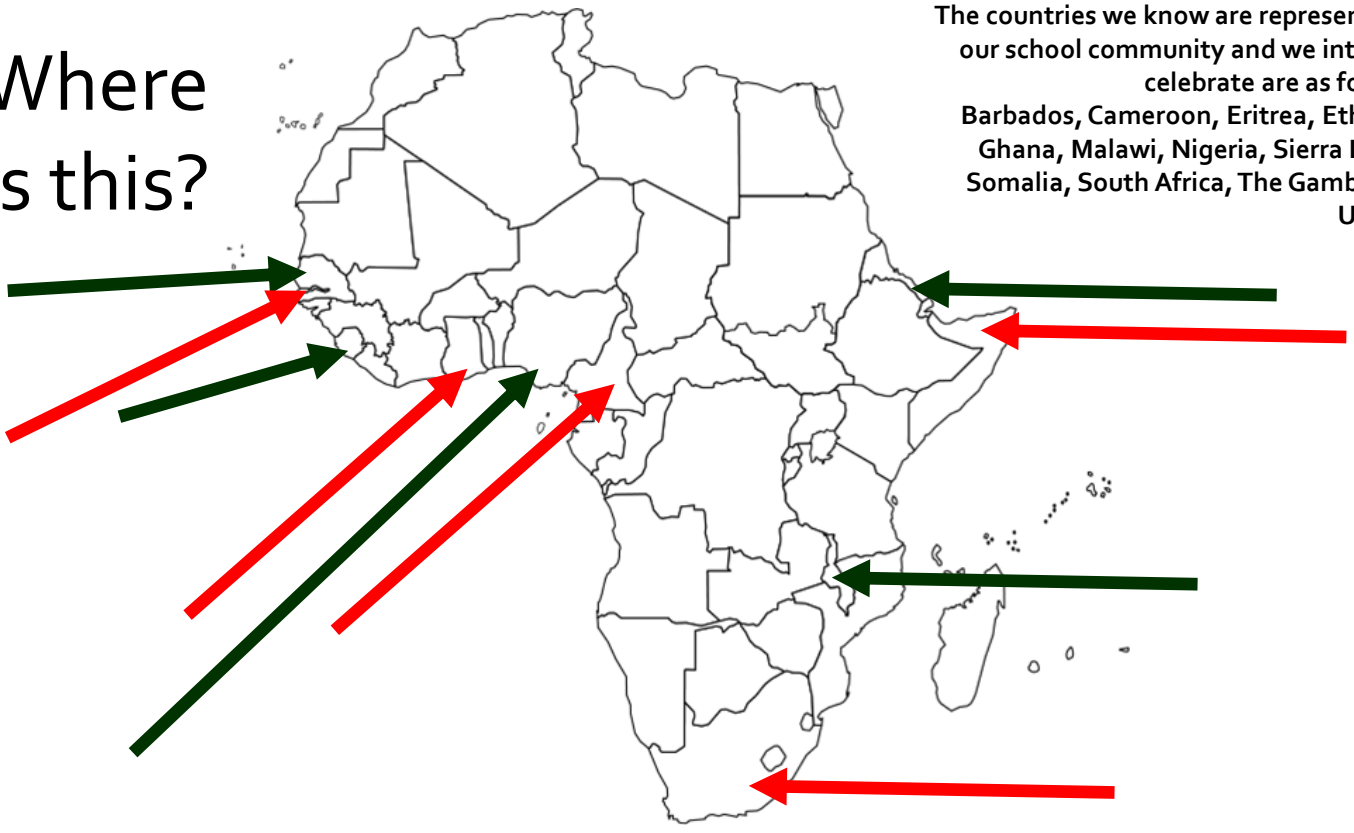

4 - 28 October Tues-Fri, 10am-5pm, Free

"CoolTan Arts will celebrate creativity and wellbeing with five main events and workshops running throughout the month of October held both onsite at the community arts centre on Southwark's Walworth Road, as well as at the Horniman Museum, and the streets of Brixton and the Black Cultural Archives. "

Complete the challenge to name all the countries of Africa and the Caribbean on the sheet that your child will be given and which will come out on Monday and return it by Friday 12th October to win a place on the school trip to a local BHM exhibition

	Fathia & Joshua	Hassanatou & Monisola	Haja & Jeremiah
Yr 2	**Atlas**	**Drakensberg**	
	Noemie & Kaden	Anaiah & Jake	

International Evening

Thursday 18th October from 6.00 p.m.

Every October, schools celebrate the 'internationalness' of their school community with a celebration free meal that relies on parents/carers generosity for its success.

This year, we are asking parents/carers to sign up to offer what they can cook for this celebration together.
The whole school community then come together on Thursday 18th October to eat, socialise and dance—with cultural dress encouraged for children and adults alike.
Miss Lou and Ms Wilkinson will be asking you about how you can help and signing you up to attend this school celebration of the 'internationalness' of our exceptional school.
Thank you for your support with this evening.

Are you up to date?

1. Emergency Contact Form Completion

The school requires all pupils to have up to date emergency contact forms with telephone contact details for parents/carers as well as additional adult contacts in case of emergencies.
School staff will only release your child to an adult on your emergency contact form so if you want someone other than yourself from picking up your child then their details must be listed on this emergency contact form.
Please return your emergency contact form is with the school office as an urgent action for this week.

2. Pupil Premium Funding Application

A separate letter has been sent out to request your action in support of the school being able to claim additional funding for your child. Parents/carers need to complete an application for every pupil entitled to receive this funding source which will then secure much needed support for the school.
