The Southwark Champions 2019

Camelot School, the current Southwark Athletics Champions, have added two new cups to their growing reputation for exceptional performances in all areas. This time, with great applause from Mr Imran and Mr Robinson, we are the Southwark Cricket Champions 2019.

A reminder re Eid 2019

Please remember, all families wishing to request that their child attends EID celebrations can do so to cover one day absence from school. It is Department for Education guidance that no more than one day is given to any child for reasons of religious observance.

The school asks that you inform the office about which day your child may take for Eid closer to the time and this is particularly important if your family is not following the Peckham Mosque guidance on the day of Eid 2019

Special at Reading?

Camelot School will be hosting a special 'David Walliams Reading Week' on the week commencing Monday 24th June. There will be a book fair running from 20th-26th June where there will be book vouchers to be won to spend at the book fair. There will be competitions and activities to be run in this week and the weeks before.

In the week commencing Monday 10th June we will be invited different year groups and children to participate in the Dulwich Gallery Book Fair. Lots for those people with a special interest in reading.

Please remember reading every day is at the heart of developing a child's confidence, writing as well as providing them with an opportunity to drift into imaginary worlds of excitement and enjoyment.

Every day should be a reading day for all our children.
