# **The Power of the Parent/Carer**

**Each parent/carers is key to the school's success and key to the success of your child.**

**What we do to praise and engage our parents/carers:**

- ♦ **Welcome your feedback at any opportunity—there will be an additional mid year feedback opportunity available next week**
- ♦ **Invite you to attend courses and workshops linked to better understanding of our shared challenge of raising our children**
- ♦ **Thank you for your successes and roles in educating your children; in ensuring they are daily at school and on time; supporting with the completion of daily reading and weekly homework tasks as set**

**What is the key way that the school feeds back to our parents/carers**

- ♦ **Through using termly Parents Evening appointment times to share a planned message of communication on the key successes and focus for your child's education going forward.**

**It is therefore essential that every parent/carers attends a ten minute appointment time with their child's class teacher next week at the following:**

**Spring Term Parents Evening—Wednesday 22nd January  
between 1.30—6.45 p.m.**

At this appointment, teachers will be sharing children's work across English, Maths, Science, History, Geography as well as agreeing targets for their work for the next two terms of the academic year ahead. Any parent/carers not attending an appointment should see Mr Robinson to arrange a different time as non attendance means the key to unlock a child's educational success will be acknowledged as being lost at this stage of the year and this is not encouraged.

## **Year 6 Residential Trip—June 2020**

Should any parent/carers wish for their Year 6 child to be included in the above, they must make sure they attend one of the briefings regarding the trip. These briefings will take place at 2.00 p.m; repeated at 4.00 p.m. and repeated again at 6.00 p.m. on next Wednesday 22nd January in Mr Robinson's office next to the Year 6 classrooms. See you there.
