Developing racial literacy is key priority at Camelot

How do we think about race?
How do we talk about race?
How do we teach issues of race?

At Camelot, we are already strides ahead of other schools in addressing these questions due to our Black History Enrichment education. We started this piece of work in the summer of 2020 in response the events surrounding George Floyd's death. However, we are aware that our work has only just begun within this area and the answers to our three focused questions above will define education at Camelot for the foreseeable future.

As always we would love any form of parental support within these crucial areas and if you feel you would love to be part of a parental team which supports the school within this area please let us know.

Dear Camelot Parents/Carers

If your child is not registered for Free School Meals there will be no chance of school meal vouchers this summer... £90 per child will be lost.

Please register with the school office today

On this last occasion, the school has applied for all parents/carers to receive holiday vouchers for the forthcoming week holiday but going forward we will only be supporting the children of families requested for Free School Meals (FSM) or where the families is No Recourse to Public Funds (NRPF)

Take the necessary action today so you don't miss out this summer*

Meals provision during the May 2021 half term holiday

A message from Southwark Council.. pleasingly received!

Southwark remains committed to supporting its disadvantaged and vulnerable pupils and will do this by using the Winter Grant Scheme *extension* funding to provide meals for those pupils who are eligible to receive benefits-related FSM during the May 2021 half term holiday, just as it did over Christmas, February half term and Easter holiday periods.

In addition, funding will also be provided for meals, over the same period, for any **primary and nursery** pupils whose parent requests them, in line with the council's FHSNM pledge. We understand that some parents will say that they do not want or need this support over the May half term holiday period.

*** Please note that should places be limited for planned Summer CHAMPS this July and August then our funding criteria recommends prioritising FSM and NRPF pupils for places.**

Another key reason to register your child today!
