October One

Black History Month event of next week

Parents/Carers International Evening Thursday 20th October 6.30—7.30 p.m

We would like to invite all parents/carers to come with a homemade dish that reflects our school's international community and bring it for an evening celebration to mark the end of our Black History Month celebrations.

Can we please ask for any volunteer parents/carers who could help with organising this event to inform the school office or Mr Robinson directly.

Next week is also International Art week. Exceptional Art opportunities focused on improving the school playground.

Reminders.. Please

- * From after the half term break we are planning to send out all newsletters and letters direct to Parents/Carers email addresses. **Please ensure you have given your email address to the school office.**
- * From after half term, there will be absolutely no access around the school in the mornings before school and afternoons after school. This is to prioritise pupil safety.
