

## Primary Sport Funding 2016-17

This year we continued to receive additional sports funding to improve PE provision.

The money is used to meet the following key aims:

- to increase the participation of children in inter and intra school competitions
- to motivate and inspire pupils in developing healthy and active lifestyles
- to build the subject knowledge, skills and competencies of teachers in PE

To meet these aims Camelot employs an additional sports coach for two and a half days. This has allowed us to maximise participation and ensures that as many pupils as possible have the opportunity to benefit from specialist coaching.

Children are engaged and motivated through additional dance, gym and sports sessions at lunchtimes, including intra-school competition.

Break and lunchtime staff are supported and trained in instigating playground games. This has led to an increase in the proportion of children taking part in high quality physical activity.

The remaining funding enables the school to buy into Southwark's CPD for PE, which further develops staff skills and competence in other areas of the PE curriculum such as outdoor and adventurous activities.

In addition to activities linked to Sports Premium Funding, our sports coach delivers three clubs a week as part of our extra-curricular clubs offer.

<b>Total Grant for 2016-17</b>	<b>£10,060</b>
PE Coach	£6,500
Southwark Sports	£1,110
Essential Playground Equipment	£1,290
