Post Ofsted 2018—What happens now?

Parents/Carers are invited to a special sharing of the school's Ofsted Report in the school playground from 3.00 p.m. next Thursday 8th February (subject to the expected release date of our report). Please note that you will be able to pick up a copy of our report as well as join school staff and governors for tea/coffee and refreshments... Mr Robinson has even promised to bake a cake just for the adults attending.. Sorry children!).

We would be thrilled if as many parents as possible could attend this opportunity to hear more about the recent 'journey' that the inspectors observed as well as their advice and understanding of the trajectory of improvement that the school is currently on.

Thursday 8th February from 3.00 p.m.—School Playground and into the hall for refreshments until 3.25 p.m.

"Ofsted know the journey and are grateful for what has been done"

Key event for next week:

Tuesday 6th February
9.00—9.45 a.m.

Internet safety Workshop for all parents/carers

Rio Hub with Miss Wilkinson

We are all extremely concerned about our children's use and misuse of the internet and finding out more could be at the heart of keeping them safe and prioritising their welfare

Uniform Reminders:

Please can parents/carers note the following:

- The school does not encourage the wearing of 'fashion' headwear/hats/caps—warm, woollen headwear only please
- PE kit is a necessity for every PE lesson + a simple blue or black tracksuit—top and trousers
- Please refrain from sending your child in with non uniform items, e.g. shoes, PE kits.

We are all noticing increasing exposure of our children to both the benefits and risks of easier internet access. At Camelot, we are taking increased measures to make our children aware of both sides of the internet. Please support next week's Safer Internet Day by attending the training for all parents/carers.

Safer Internet Day 2018 will be celebrated globally on Tuesday 6th February 2018

Learn how to keep your children safe online!

Learn of all of the hidden dangers there are on line and how best to keep your children safe.

Please attend our informative,
interactive session based at the school.

Tuesday 6th February in the Rio Hub.

9:00-10:00 a.m. for all parents/carers with refreshments
(Please book with Miss Wilkinson at the school office)

Attendance Matters

On Time: First Time, Every Time

What Zone Are You In?

What the Camelot School zones mean for parents and children?

Green Zone—Prize Winners—able to participate in all school events and opportunities linked to exceptional attendance

Blue Zone—with exceptional attendance for the rest of the year these children will get into the green zone and will be able to join in the exceptional attendance events

Yellow Zone—Attendance improvements needed and school attendance team will monitor to ensure no further issues

Orange Zone—child and family situation discussed with the school's educational welfare officer and individual attendance instructions will have to be followed, e.g. all absences needing written authorisation

Red Zone—Educational Welfare Officer advises that situation for the child and parent/carer is reviewed to decide what action to take. Court order, parenting orders, fines for attendance all decisions taken in these cases

Impact of Lateness

Being 15 minutes late each day is the same as missing 2 weeks of school
