Getting 'school' fit for 2019

"One of the areas that I think we sometimes lose sight of is the real substance of education. Not the exam grades or the progress scores, important though they are, but instead the real meat of what is taught in our schools and colleges: the curriculum."
HM Chief Inspector of Schools, Amanda Spielman

Thank you to parents/carers for their help to date and we look forward to showcasing our work with your child at Parents Evening.

Pupil Progress Update

Mr Benoit, the school's deputy headteacher leading in this area has met all the Autumn Term targets for tracking pupil progress and he and the teachers are looking forward to sharing the outcomes of how your child is doing in their school work at the **Parents Evening on Tuesday 22nd January.**

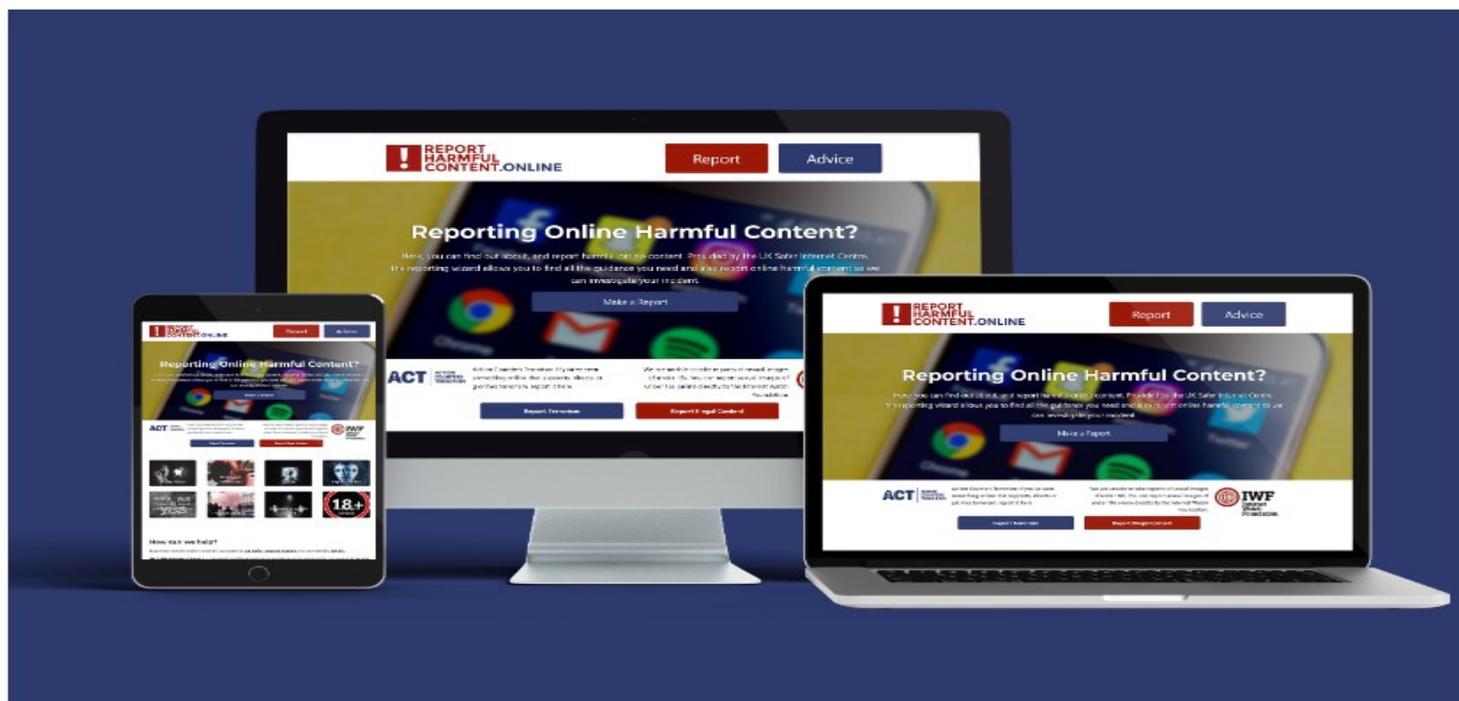

Please note, to ensure every parent can be offered a full ten minute appointment with their class teacher to go through any pupil progress tracking information as well as having time to look at English, Maths and Curriculum books then we are asking that all children are picked up at 1.00 p.m. on this date so appointments can start from 1.30 p.m. with the teachers.

Appointments will go on across the whole afternoon and evening until 6.45 p.m. Thank you for your support and understanding in this matter.
