# One Year on & Ofsted trained inspectors visit again

Last week, the school booked a one year on audit of the standards of education and quality of teaching at Camelot. The auditors found the following:

*“There is strong evidence that very hard work has resulted in the school turning a corner and being on a trajectory to success.”*

*“The headteacher and largely new staff team were set an enormous challenge by the difficulties the school went through over a number of years and the lack of stable leadership.*

*They are to be congratulated on the distance already travelled down the long road to recovery.”*

***“...there are now no significant limitations on how good the school can become.”***

*“The senior leadership of the school is excellent. The range of issues we identified had all been previously identified by the SLT, prioritised, remedial actions planned and the necessary development programs put in place.”*

**Very significantly most pupils’ behaviour for learning – their attitudes to learning, their relationships with staff and each other, their cooperation and motivation in lessons – is good.**

[Copies of our report are available from the school office](#)

The Early Years Foundation Stage (EYFS) is excellent and children in Nursery and Reception make very good progress. All children observed were fully involved in activities, socialising very well and clearly very happy.

## A reminder about snow!

Camelot School does not shut for snow... or too much rain or heat! We would only shut extraordinarily for water, heating or power failures. The school’s twitter account @CamelotSE15 will always have fun and informative messages about teaching in the snow and you are asked to follow this and look out for texts if snow should ever fall.

# Our football team now want tracksuits!

Over the next few months, the school will be hosting monthly cake/food sales in the school playground with the aim of raising monies to support a range of areas of school life where your support is appreciated.

We are fundraising for new tracksuits to complement the exceptional new school football kits as well as funds to support more children to be able to go on the more costly school trips as well as the children's requests for additional equipment in the playground.

Thank you in advance.

**Safer Internet Day**

**2019 | Tuesday  
5 February**

[www.saferinternetday.org](http://www.saferinternetday.org)

The aim of Safer Internet Day is to **inspire a national conversation** about using technology, responsibly, respectfully, and creatively.

This year in the UK, Safer Internet Day will focus on [how consent works in an online context](#) and will ask young people to explore how they ask, give, and receive consent online. **This could be in their friendships or relationships, how they take and share images and videos or how they manage their privacy and data.**

The campaign encourages young people to explore how the internet works, who owns the information that is shared on it, and how they can actively take ownership of digital spaces. We want SID 2019 to empower young people to take control of their online lives and to feel that they can harness and use the positive power of the internet for good.

# IS YOUR CHILD STRUGGLING WITH READING OR WRITING?

**If your child lacks confidence in reading, writing or any other area of literacy, The Children's Literacy Charity can help!**

Run in partnership with Camelot Primary School, our Community Literacy Lab is delivered by our expert tutors and designed to support your child's individual needs. We cover everything from reading and writing to spelling and comprehension.

**Who?** Any child aged 5–14.

**When?** Saturdays, 10am–12noon.

**How much?** £5.

**Do they need to come every week?**

Yes, regular on-going support makes the biggest difference to children's development. We ask you to commit to bringing your child for 12 sessions.

**Where?** Camelot Primary School,  
Bird in Bush Road, Peckham, London SE15 1QP.

**Book your child's place at our Community Literacy Lab:**
