

Camelot's International Schools Partnerships

We are extremely proud that Camelot School has partner schools in both Malawi and Tanzania in Central East Africa. Teachers from both the UK and Africa exchange visits as part of a teacher international development project which has proven

benefits for all involved. These visits are supported by the school's governing body and school leaders and involve teachers visiting each other's schools within the term time (both African countries run to the UK term dates).

Next week, Miss Rich, our Year 6 Vinson Class Teacher and Miss Eastwood, our Assistant Headteacher for EYFS & KS1 will be travelling to Africa to pursue their International Schools Partnership visit.

When in Africa, our teachers support the schools and children in ways that benefit all involved. To support these efforts we are asking for your support with baking cakes for a sale after school on Wednesday 22nd March. Please can any donations be dropped off at the school office on Wednesday. We hope your child can then be sent in with a £1 on Wednesday to buy cakes.... **Yes! Cake Sale in the playground on Wednesday from 3.15 p.m**

The children in our partner schools have far less than our children and we know Miss Rich and Miss Eastwood will be sharing the benefits of their experiences with the children of Camelot School after the holiday period. Mr Robinson certainly learned a lot from his last visit.

A very special day for everyone—Red Nose Day 2017

1. See your child's homework today—Design a Red Nose Day Character competition
2. On Friday 24th March, all children are invited to dress up—see separate letter
3. Children donate money to get their teachers to dress up and endure lots of child designed challenges (we hear jelly & custard pies mentioned for Miss Claudette!)

Each class that raise £10 will decide what their teacher wears.. start donating

Red Nose Day like our Cake Sale on Wednesday is about raising money for others

Noses are red
Violets are blue
Poems are hard
