Welcome back to Camelot School 2019-2020

Thank you to all the parent/carers who have offered their support already to all the staff team who have been working hard across recent weeks to be ready for 2019-2020.

We welcome three new teachers to Camelot. Miss Bruce in Year Two; Miss Bennett in Year Three and Mr Joyce in Year Five. We look forward to all parents/carers having the chance to meet these teachers and their class teachers in our forthcoming Parents Evening—see dates overleaf.

We have already reminded and applauded so many children for their efforts in being prepared for the new term.

We remind everyone of our school uniform and PE kit expectations; attendance and punctuality expectations as well as the need to carry a reading book into school every day, preferably in a named book bag.

Clearly these are everyday challenges but we remind everyone that these are new challenges as the new term expectation is 100% in all these areas.

Our staff targets are 100% and we welcome our children achieving the same standards.

Our theme for this term is: New term = New challenges

Camelot School seeks to build in our pupils a greater willingness to be courageous in our decision making, kind to everyone we meet in our daily lives as well resilient when faced with a challenge.

One area of school life that we are focusing on this term is adapting our food preferences and choices in line with new government food standards as well Southwark council's plan for its free healthy school meals delivery.

Our new menus below and overleaf are shared and parents/carers are requested to help us encourage all our children to try something new and to accept the new challenge of vegetables and food that we may not have previously eaten.

Try
something
new!

'We want all children in the borough to lead healthy and active lives, so we will extend Free Healthy School Meals to nurseries and make it easier for more children to walk and cycle to school to improve health and tackle poor air quality'
