#### Calling all Parents/Carers,

Our Christmas Celebrations need you....  
and you don't need any experience or  
understanding of what is involved....

We are hoping to give all our children a  
'cracking' end of term celebration day on  
Thursday 19th December.

The plan to date:

8.45—10.00 a.m. Christmas Fair decoration  
and gift making with a breakfast feast—just  
for parents/carers and to help the team

10.30 a.m. 100% attendance celebration  
assembly with a cake and biscuits party—all  
100% attending pupils and their parents/  
carers are invited

From 11.30 a.m. Christmas Lunch—if any  
parent/carer is willing to help out in the play-  
ground on this day for an hour they are invit-  
ed to come for Christmas lunch as well!  
Please inform the school office if this is you?

Across the afternoon—celebrations in class,  
may be even special visitors—with celebration  
food bought with fundraising activities

2.45

p.m. *"Giving our children an exceptional celebration day to remember!"*

We are looking for donations for  
our Cracking Christmas Fair.  
Please could parents donate  
cakes, biscuits, empty jars,  
toiletries, small toys, books etc  
that can be used as prizes.  
Those who donate will be given a  
FREE raffle ticket to win prizes at  
the fair.

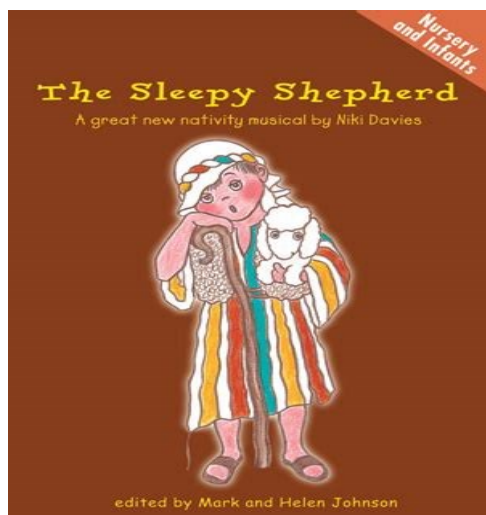

Celebration Music Concert  
2.45 p.m.— a celebration with all  
our musical performers—all parents,  
carers are invited.

Then from 3.30 p.m. the  
Cracking Christmas Fair!

**Camelot School will be closed for its children on Thursday 12th December  
as the school will be used as a local polling station.  
Please make plans for your children on this day.**

**and please remember, the Autumn Term ends for the children at 12.45  
p.m. on Friday 20th December 2019 and the Spring Term 2020 restarts on  
Monday 6th January at 8.45 a.m.**

# Sad news concerning Camelot's former Premises Officer

We write to inform our school community that our former Premises Officer, Keith Tewkesbury, sadly died in his sleep earlier this week.

Keith had been Premises Officer at Camelot for many years and we know many parents/carers will remember him from this time. Since leaving our school, he had been working at a nearby primary school.

More details will follow in due course about how our school can be involved in passing on our memories of Keith and our support to his family.

Protecting and improving the nation's health

## Letter regarding Scarlett Fever

HP Zone Ref. 215503

29th November 2019

Dear Parent / Guardian,

We have been informed that a number of children who attend Camelot Primary school have been diagnosed with suspected scarlet fever. Scarlet fever should be treated with antibiotics to minimise the risk of complications and reduce the spread to others.

The symptoms of scarlet fever include sore throat, headache, fever, nausea and vomiting. This is followed by a fine red skin rash which typically first appears on the chest and stomach, rapidly spreading to other parts of the body. On more darkly-pigmented skin, the scarlet rash may be harder to spot, but it should feel like 'sandpaper'. The face can be flushed red, but pale around the mouth.

If you think you, or your child, has scarlet fever:

- See your GP or contact NHS 111 as soon as possible
- Make sure that you/your child takes the full course of any antibiotics prescribed by the doctor.
- It is also preferable that the patient has a throat swab to confirm the diagnosis.
- Stay at home, away from nursery, school or work for at least 24 hours after starting the antibiotic treatment, to avoid spreading the infection.

### Complications

Children who have had chickenpox recently are more likely to develop more serious infection during an outbreak of scarlet fever. Parents of children who have recently had chickenpox should remain vigilant for symptoms such as a persistent high fever, skin infections and swollen, painful joints. If you are concerned for any reason please seek medical assistance immediately.

If your child has an underlying condition which affects their immune system, you should contact your GP or hospital doctor to discuss whether any additional measures are needed. You can find more information in the attached FAQ sheet and further advice can also be obtained from the Health Protection Team on **0344 326 2052**.

Yours sincerely,

Karen Bernard Health Protection Practitioner
