

Something very exceptional has happened!

Extract on John Boyega from Time Out Magazine:

Sharp suit, gigantic grin, infectious sense of fun: you know when Time Out's guest editor, John Boyega, is in the room. The Peckham boy-turned-galactic superstar is a natural in the editor's chair, with his feet up on the desk, flicking through layouts, and he has everyone hooting with laughter. A second-generation Nigerian immigrant, Boyega grew up on a Peckham housing estate, the son of a minister and a care worker. His story is a quintessentially London one. And the city's arts and community organisations have contributed colossally to his success. Years before he was tapped up for 'Star Wars' as its most relatable new hero, Finn, he was seizing the city's opportunities: training at Theatre Peckham; performing and taking in shows at Shakespeare's Globe, the Royal Albert Hall, the Roundhouse, the [Young Vic](#). All world-class stages; all deeply rooted in London.

**Thanks to John Boyega and many others.....
Camelot School has reached its £20,000
crowdfunding target for buying pupil laptops!**

We are thrilled to celebrate that the school has received significant support from John towards our plans to raise monies to buy every pupil in the school a laptop to support their learning at this time. In the email to the school, his manager wrote:

"Before lockdown we started a project where we wanted to give back to the young people in Southwark as that's where John grew up, so this was a great opportunity to support. We would love to be updated and get info on how the school progresses. Hopefully once lockdown is lifted and if John is around as he is currently filming, he would love to come and pay the school a visit when he can"

From everyone at Camelot to John Boyega.. We look forward to you visiting us and thank you so so much

- ◆ All children to return in school uniform—carrying a PE kit and bag on Mondays and which will stay in school for the week and to be returned on Fridays.* (Please can we encourage an online order/supermarket trip now to buy plain coloured items to compliment other items and to be ready for March 8th)
- ◆ The times of the school day will return to provide longer gaps at the end of the day when children from different year groups are picked up. Times will be confirmed in next week's newsletter.

** Please note plans are included in our risk assessment and if there are any queries to these plans please raise these with Mr Robinson as he seeks to manage the school at this uncertain time. The current plan is to operate on this basis until the end of March 2021 and then we will review such arrangements.*

A school like no other

Another exciting/exceptional offer from Camelot School...

the only school in Lambeth and Southwark

planning to offer this free provision to its children and families...

CHAMPS* to return for the Easter 2021..

Lockdown restrictions permitting... so that's.... hopefully we can offer 100 children the daily chance for free holiday activities and free breakfast and lunch during the Easter holidays. Details on which children to follow.

(with plans for CHAMPS Summer 2021 already in place)

* **CHAMPS** is Camelot's Holiday And Marvellous Provision at School (cheesy, we know!)

Possibly also we will link with Millwall Community Trust and run the Lions and Knights Free Football provision at this time and which includes free supper for attending children.

A school like no other.. and one that is now full to new pupils in Year 5 and 6 but with limited places for new children in other year groups. As announced recently, only children attending Camelot School are invited to benefit from free Easter and Summer holiday provision as well as free laptops for all children. (It is estimated that free holiday provision saves a family up to £500 per child based on a typical £25 per day charged by others).

Uniform Preparation Week... please

APT Clothing, the school's uniform shop, based 26A Rye Lane opposite the HSBC bank in Peckham will be again open this Saturday 6th March for collection of ordered uniform items.

Apt correct number is: 020-7639-6580.

Camelot 'Laptops for our Pupils' Policy going forward

The enormous task of managing laptops for all our children really starts for us on March 8th. The aim is to ensure every child in our school is provided with a laptop to have at home for the duration of their time at Camelot—a permanent loan. To be able to achieve this aim, we ask that every child brings back their school laptop from Monday 8th March and hands this to their class teacher. The school will then ensure all the appropriate licences and anti virus software are installed and then after Easter, the plan is to send a laptop home that will stay at home for weekdays, weekends, holidays and hopefully not, but if ever there is a Lockdown again.... please no!

2021'S £1 BOOKS

As a World Day Book gift to our children, we have bought every child a special book which will be given to them or delivered to them next Thursday 4th March where possible. The book is recommended to them to read and to keep or pass on to a friend or sibling afterwards.
