

### **Our message to any parent/carers with a primary aged child**

Why not enrol your child to join the only 'exceptional everyday' school in Southwark?

Exceptional everyday for the quality of education at the school; the school at the heart of its community; providing 46 weeks free education and provision to its children at this time and where facilities/resources include laptops provided for every child to use at home; 3G Astro turf football pitch where the schools teams train; free residential journey for children in Year 4, Year 5 and Year 6. #ProvenPeckhamPrimary
