Camelot School...  
a flagship school\*  
in so many ways.  
We hope you will  
agree

Camelot School is currently a  
flagship school in the following  
areas in the education world:

1. Since 2019—Literacy Curriculum provision
2. Since 2021 - Racial Literacy Curriculum design & implementation
3. Now from 2022 for School Food Standards

We are pleased to announce that Camelot School has this week heard that we have been awarded Flagship School status for School Food provision.

Exceptional news.. What next for the Camelot flagship?!

**What does this mean?** Effectively, this means that the children at Camelot are being given an exceptional school lunch... especially when in comparison to other children in other Southwark schools.

## Parent/Carer Survey 2022

Thank you to all the parents/carers who have completed their Parents Survey. Over 170 of you completed a survey. Wow! Thank you to all.

The task of collating the results is one of the highlights of our year and we look forward to sharing the outcomes with you all over the coming weeks.

## School Council Summer Recognition Idea

Parents/Carers of pupils in Year 2 to 6 may see their children displaying a Purple or Green star badge on their uniform this summer.

This is a School Council idea and they have chosen to recognise one child in each class who displays exceptional standards in these areas:
