

New opportunities and new excitements for all

Our Year 6 pupils leave next week

While next week's newsletter will be dedicated to celebrating our exceptional Year 6 children we wanted to tell you all about how proud we are of them all at this time. See overleaf for news on their exceptional attainment outcomes at a time when the whole country has seen a reduction in the outcomes achieved. We will miss them but know that we have given them an exceptional start in life ready for new opportunities and new excitements for all.

Support for Cobourg School

The support for Cobourg School is planned to bring an exceptional quality of education for their pupils as well new opportunities and new excitements for all. A number of our staff team are already supporting at Cobourg at this time and Mr Robinson will remain as Executive Headteacher of both Camelot and Cobourg schools into 2022-2023. In addition, Ms Lossa Grant will join their staff team for one year in September and in the role as interim Assistant Headteacher.

New parent governor appointments for a time of new opportunities and new excitements for all.

Thank you to Bunmi Ayode, mother of three Camelot children, for agreeing to be our new parent governor.

Key stage 2 attainment: National headlines

5 July 2022

This publication provides the latest headline statistics on attainment in key stage 2 national curriculum assessments in England.

This is the first publication of key stage 2 attainment statistics since 2019 due to cancellation of 2020 and 2021 assessments during the pandemic.

These statistics cover attainment in the following assessments taken by pupils at the end of year 6, when most are age 11:

- Reading test
- Maths test
- Grammar, punctuation and spelling test
- Writing teacher assessment
- Science teacher assessment

Attainment in 2022 is compared to 2019 and previous years where possible.

Headline facts and figures

These are the first key stage 2 attainment statistics since 2019, after assessments were cancelled in 2020 and 2021 due to the pandemic

These statistics cover the attainment of year 6 pupils who took assessments in summer 2022. These pupils experienced disruption to their learning during the pandemic, particularly at the end of year 4 and in year 5.

Attainment in all of reading, writing and maths has decreased compared to 2019

59% of pupils met the expected standard in all of reading, writing and maths, down from 65% in 2019.

In individual subjects, attainment increased slightly in reading and fell in all other subjects compared to 2019

74% of pupils met the expected standard in reading, up from 73% in 2019.

71% of pupils met the expected standard in maths, down from 79% in 2019.

69% of pupils met the expected standard in writing, down from 78% in 2019.

Please note the key change in the school term dates that has been agreed to support Camelot's plans to work alongside Cobourg School in the next academic year. On Friday 2nd September, we will now have a shared training day and the new term will start at both schools from Monday 5th September. Thank you
