

Camelot Primary School is an example of a human feature

The River Thames is an example of a physical feature

Year 1 Autumn Unit: Where we live: Peckham and London

Enquiry Question: What is it like near our school?

Geographical Concepts: boundaries, interdependence, physical features, resources, settlements

Primary Focus - Geographical Skills and Fieldwork

In this unit, Year 1 will learn how to

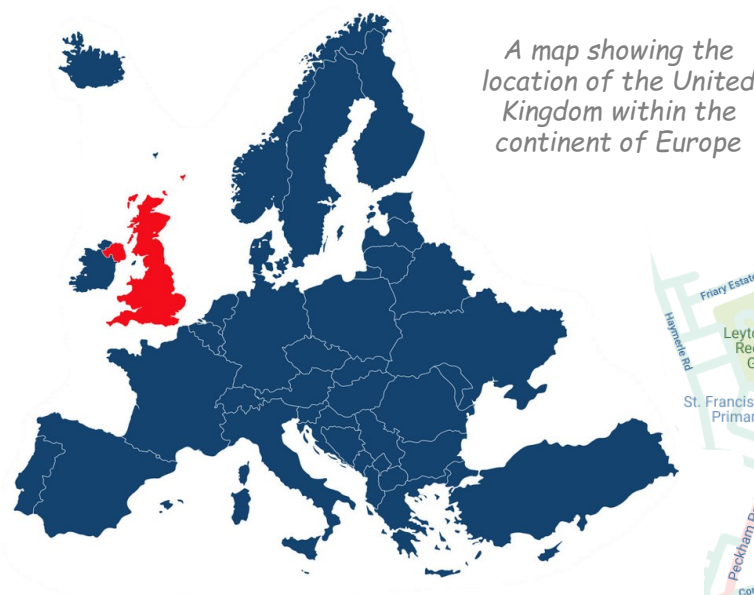

- use simple fieldwork and observational skills to study the geography of their school and its grounds and the key human and physical features of its surrounding environment.

Secondary Focus - Locational Knowledge

In this unit, Year 1 will learn how to

- name, locate and identify characteristics of the four countries and capital cities of the United Kingdom and its surrounding seas (see map to the right).

The United Kingdom is made up of Northern Ireland, England, Scotland and Wales.

A map showing the location of the United Kingdom within the continent of Europe
