## Bird in Bush School offer to your children

Thank you to you all for your support with the school renaming proposals. We appreciate many stakeholders would rather not consider a name change at this time but as explained at our consultation meetings this is a recommendation to secure the future of our school.

Bird in Bush School will bring your children not only an exceptional quality of education delivered by a dedicated staff team but it will offer every child a biography of exciting offers to enrich their education. We do not believe any local school can rival the Bird in Bush School offer.

Your support and the support of your children is appreciated in now designing a new school logo. Like the Coronation logo this is an important invitation to contribute to such an event at this time

We wish everyone at Camelot an enjoyable and celebratory Kings Coronation Bank Holiday Weekend. We look forward to seeing everyone back on Tuesday 8th May.

## Year 6 time of year

We pass on to our Year 6s all our best wishes at this time of year. Next week they complete assessments in school.

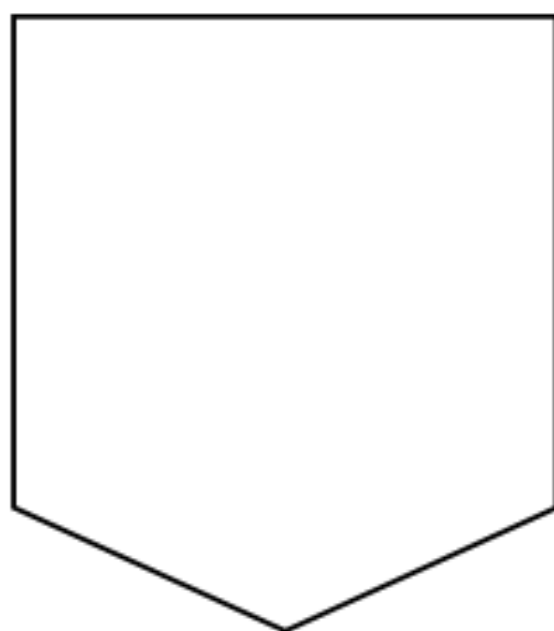

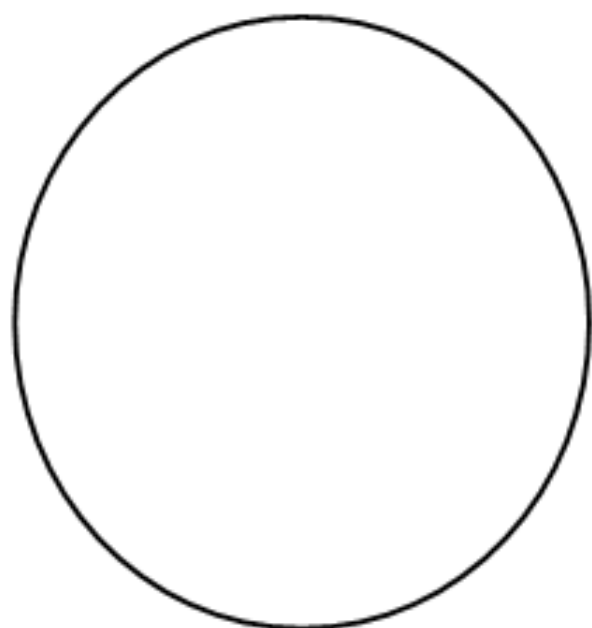

We hope that their parents/carers will then be leading lots of ways of celebrating their time at Camelot, starting with a cake and bake sale next Friday 12th May.

The best way to predict  
the future is to create it.

## Ideas on which to base designs

Bird in Bush School is next to Bird in Bush Park which has a striking mosaic on the wall of an adjoining property.

The founding stone for the school records Bird in Bush School started in 1893.

What we have learned:

- Arts and crafts, cooking and anything related to making food and mess works the best!
- Swimming and trips work, providing fun filled days for all
- Parents/Carers need to be ready to sign up so their children have be included in plans. From this summer onwards, all CHAMPS offers will be open to Year 1 to Year 6 and it will be on a first come, first reserved basis (places are limited)
- The CHAMPS mobile phone is the best way to contact the organising team. Why not try it now and reserve your child's place for this summer. 07931 616456 and yes...

**CHAMPS Summer 2023 is open for reserving a place NOW!**

As we notice more and more children having access to their own phone, we thought we would this helpful advice from the Metropolitan Police. We highlight the advice "Don't fight back, it's not worth the risk when a phone can be replaced."

### KEEPING YOU AND YOUR PHONE SAFE

**Getting a phone is really exciting. You can stay in touch with friends and find out more about the world.**

- Don't fight back, it's not worth the risk when a phone can be replaced.
- Tell us if someone robs you or tries to. It's important you get help straight away by dialling **999** using a friend or trusted adult's phone rather than contacting police when you get home. This gives us the best chance to catch the suspects, recover stolen items and make sure you're safe.

- If you don't want to talk to police – contact Fearless online, without giving your name, at [www.fearless.org](http://www.fearless.org)
- Memorise or keep a note of a parent/carers phone number in a separate place in case of emergency.

As police officers, our job is to keep you safe and stop people who want to steal property like phones, cash, earphones and even expensive coats or trainers.

You can help us do that by being careful where you use your phone and taking care of cash and other valuable items.

### YOU CAN HELP US PROTECT AND TRACK YOUR PHONE IF IT'S STOLEN.

#### HERE'S 3 THINGS YOU CAN DO:

- Your phone will have security features such as a passcode or fingerprint/face ID. Make sure you use it to protect access to your phone.

### 5 TIPS TO KEEP SAFE

- Keep your phone and valuables out of sight and in a safe place. Take care when you take them out especially near bus stops and train stations.
- Stay alert and remember earphones/headphones can distract you from being aware of someone approaching from behind you. Thieves can approach on mopeds, e-scooters and pedal cycles.
- Tracker apps can help locate your phone if it's lost or stolen. Ask a parent to show you how to set one up.
- Record the phone's IMEI number in a separate place at home. Find this by typing in **\*#06#**. You'll need to give this number to police if it's stolen.
