Dear James

I had the great pleasure of attending the SPLASH extravaganza "How High the Moon" where I got to speak to some of you and some very, very excited parents and children.

You must be very proud of your children and staff for putting on such a superb performance on Monday 3<sup>rd</sup> July at the Royal Festival Hall. What memories the children will have for many years to come. They have had a rare opportunity to perform on the "big stage" before such an appreciative audience.

The energy, confidence, enthusiasm and talent they displayed was a real credit to all involved. I know that a huge amount of work and commitment goes into such a performance and would like to thank all those involved from your school. This wonderful, dynamic event really showcases Southwark's creativity, inclusion and commitment to the arts and the important part it plays in in a well-rounded education. A thoroughly enjoyable evening was had by us all.

I look forward to next year's, performance – after a summer holiday of course!

Best wishes,

Nina Dohel  
Director of Education
